

Gale PowerPacks

ALL PowerPacks are subsets of periodicals found in the Academic OneFile and General OneFile Databases. The left column below lists the PowerPack Databases containing unique content in addition to the custom journals included from the “Onefile” databases. The right column lists the databases that are just “custom journal collections” pulled from Academic OneFile and General OneFile without unique content but may be helpful for patrons looking for information just within a certain subject area.

Databases w/ Unique Content	Custom Journal Collections
Agriculture Collection	Religion & Philosophy Collection
Business Economics and Theory	Military & Intelligence Collection
Culinary Arts Collection	Southern Life
