# TEL Train-the-Trainer Workshops 2010

**★ NEW!**

This year TEL Train-the-Trainer is offering  
**2 tracks of training** to fit your needs!

## Track 1: Institution Track

- “Traditional” TEL Train-the-Trainer workshop.
- Trainers from NewsBank, EBSCO, Gale and LearningExpress will provide 50-90 minute sessions on their respective databases.
- Learn about the TEL databases for your own knowledge or for your institution.
- School librarians will be able to count internet-based materials as 30% of their collections by attending this TEL workshop.\*

Go back to your institution with the skills you need to assist your patrons, students, and faculty on how to use the Tennessee Electronic Library.

## Track 2: Outreach Track

- Open to librarians and other volunteers who want to participate in TEL training for organizations, schools, and libraries in their communities.
- Gale and LearningExpress trainers will provide in-depth training on their respective databases.
- Learn how to be a TEL trainer from the TEL Coordinator and other special guests, who will prepare attendees for when they get called into action!

Go back to your community with the tools you need to be an active and effective TEL Trainer.
