

The Tennessee Electronic Library provides all Tennessee residents **FREE** access to full-text magazines, journals, e-books, test preparation materials, federal census records, Tennessee primary source materials, and more!

Provides a rich cultural and language experience that uses audio, video, and interactive lessons to take users beyond rote memorization to a deep understanding of how to communicate in a new language. Powerspeak is ideal for students, business people, leisure travelers, and ESL patrons to learn:

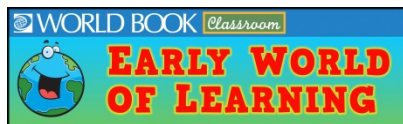

- French
- German
- Italian
- Japanese
- Korean
- Mandarin Chinese
- Russian
- Spanish
- ESL for Mandarin Speakers
- ESL for Spanish Speakers

Provides Spanish- and Portuguese-language scholarly journals and magazines — not simply translations of English-language materials. ¡Informe! features a powerful, easy-to-use interface configured for Spanish speaking users, allowing researchers to analyze topics and conduct research in Spanish.

The Spanish version of the Kids encyclopedia has all the games, tools and features of the English version. It also includes Spanish-language newspapers.

Early World of Learning has built-in tools for emerging readers. It covers the concepts that K-1 students need to master, and includes tracked, read-aloud books in English and Spanish.

Learning Express Resources for Spanish Speakers

- Skill-building tools to improve writing, grammar, reading, and math skills
- GED practice tests & tutorials
- Prepare for the Citizenship Exam

On-Demand Translation & Text-to-Speech Tools

- Translation tools across TEL resources help students from diverse populations access and understand essential information.
- Text-to-speech technology also enhances study for readers who benefit from hearing each word aloud as they follow along.
