Tennessee Electronic Library

Homework Help

From science and math to history and current events, TEL is an excellent resource for students. Whether preparing for a debate or practicing for a college entrance exam, TEL has something for every student.

Career Tools

Career Transitions helps those searching for a new career, from discovering interests and education programs to crafting a resume and cover letter. Be at your best by practicing for the interview ahead of time! TEL is always available, no matter when you need it, anywhere you have an internet connection.

For Business Professionals

Tennessee Electronic Library provides business professionals with access to an amazing collection of resources that will help keep them current in today's changing market. Visit the **Small Business Resource Center** to find tools for becoming your own boss. Or check out the financial markets with **Business Insights Essentials**. There are also a variety of magazines and business journals like *Business Quarterly*, *The Economist* and *Economics Week*.

Genealogy Research

HeritageQuest provides Federal Census records, local history books, family histories and more.

For Educators

Not only can TEL help to enhance the classroom experience by providing students access to **complex informational readings** and **skill building courses in math and reading**, but educators can take advantage of the wide range of materials available for their own professional development. The Test Prep in TEL includes practice exams for the **GRE** and the **Praxis I** and **II** tests.

The Tennessee Electronic Library is made possible through funding provided by the General Assembly of the State of Tennessee, the U. S. Institute of Museum and Library Services, and through pledges from Tennessee libraries. TEL is administered by the Tennessee State Library and Archives, a division of the Tennessee Office of the Secretary of State, Tre Hargett, Secretary of State.
