

The Tennessee Electronic Library's subscription to NewsBank's Tennessee Newspaper Collection provides full-text coverage of the following titles:

Title	Date Range
<i>The Chattanooga Times-Free Press</i>	12/14/06-current
<i>The Commercial Appeal (Memphis)</i>	06/27/90-current
<i>Knoxville News-Sentinel</i>	09/01/90-current

NewsBank's Tennessee Newspaper Collection is an important source for both current and archived local news. For each newspaper, NewsBank provides the electronic edition of record which includes content from multiple editions. The beginning date of online coverage for each newspaper usually corresponds to the date that paper began electronically archiving data. For this reason the beginning dates are unlikely to change. Updates are dependent upon the publisher but are uploaded immediately after NewsBank receives them and usually no later than 48 hours after original publication. Click on a specific newspaper title in order to see the latest issue available.

Advanced Search –

The advanced search option allows you to fine tune your search in a variety of ways. Limiting to the lead/first paragraph or the headline using the drop down box by the search box is a great way to retrieve more relevant search results. You may also limit your search to a specific date or to a date range. Sorting options for your search results include newest first, oldest first, or best matches first. You may easily add search rows to continue customizing your search. Use the check box next to the source list of newspaper titles to limit your search to a specific paper.

The screenshot shows the NewsBank interface for Tennessee Newspapers. It includes a search bar with filters for 'All Text', 'and', and 'Date'. A 'Source List' table is displayed with the following data:

Title	Date Range	Location
<input type="checkbox"/> Chattanooga Times-Free Press	12/14/2006-Current	Chattanooga
<input type="checkbox"/> Commercial Appeal, The	01/01/1990-Current	Memphis
<input type="checkbox"/> Knoxville News-Sentinel	09/01/1990-Current	Knoxville

Search Results - are returned in a brief citation format that emphasizes the article headline, identifies the newspaper, provides the article date and length in words and pages, and shows the search terms in context. Article preview can be changed to show First Paragraph or Headline Only. Click on the article title to view the entire text. Your search terms will appear bolded in the full-text of the article. At the bottom of the article you will find in-depth bibliographic information and a link to bookmark the article. Navigation aids are available on the left which allow you to limit your initial search by year or by source. You can also further revise your search by clicking on "edit search."
