Resume Examples/Cover Letter Examples: This tab contains samples grouped according to Career Clusters and levels of experience. Use it to get ideas on what to use in your resume/cover letter and how to word it. You can also find advice and videos on resumes/cover letters on the homepages of those sections.

TIPS & ADVICE

TIPS & ADVICE

Learn from career experts how to find, land and keep the right job

 [Applying](#)
 [Career Strategies](#)

 [Education and Training](#)
 [Emerging and Green Jobs](#)

This section contains hundreds of targeted overviews, how-to's, tips and videos, written by experts and organized conveniently into categories centered on job and career advice and strategies. Browse the categories to get help with Applying, Networking and much more.

CAREER ASSESSMENT

60 quick questions on what types of work you might like. **Focus on what you think you'd like, not whether you have the training or experience.** You'll be able to take education and experience into consideration when looking at your results. In your results you'll see which career interest type fits the majority of your responses.

You'll find **Typical Activities, Common Tools, Career Videos,** and a **Career Ladder,** as well as salary, growth and education requirements. The Career Ladder shows related careers that require a similar education. Click education levels to see how you might work up to higher-level careers.

ASSESS YOUR CAREER INTERESTS

Find a career you'll love by taking this short survey that identifies your key career interests.
