

Learning Express Library Talking Points

- **What is Learning Express Library?**

Learning Express Library is one of the products in TEL. It provides free practice tests and online courses for a variety of standardized tests, gives you results instantly, and provides individualized plans to improve on the real test.

- **Do you need a password?**

You need to create an account in Learning Express Library before you can take a test or start a course. Pick a username and password of your choice and add a test or course to “My Center” to get started.
