

Tel4u.org Display Ideas

- Have a contest to name the alien!
- Make www.tel4u.org the home page on the children's computers for the rest of the month.
- Display of all the ways your library can support kids and parents with homework help. Be sure to add a shelf talker for tel4u.org:
<http://tntel.tnsos.org/Toolkit/KidshelfTalkerSingle.pdf>
- Make an outer spaced themed display with fiction and non-fiction books and add a shelf talker. If people can see the back, use the double-sided shelf talker:
<http://tntel.tnsos.org/Toolkit/KidshelfTalkerDouble.pdf>
- Tape the monitor display cards on your computers to tell everyone about the new web site! Be sure not to block the monitor's air vents.

This is what the tri-fold shelf talker looks like. It's available single or double-sided.

Make sure patrons can still see the entire screen after you attach the monitor card.

The one-fold shelf talker in action.
