

Your Free Curricular Resources Toolkit

Informational Texts

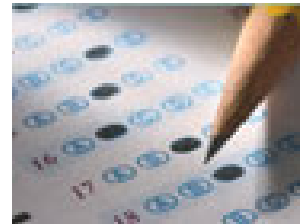

The Research section covers Science, Social Studies, Music, Language Arts, Visual Arts and professional issues in Education. You can find:

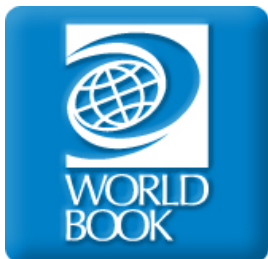

- Non-fiction informational articles
- Complex texts for all ages

Test Prep & Skill Building

LearningExpress Library offers over **300 practice tests** as well as math and reading diagnostic tests and skill building courses starting at Grade 4 and up. Practice tests include GRE, Praxis, **PSAT, SAT** and **ACT**.

Just the Facts...

TEL includes online access to World Book Encyclopedia, with articles, images, primary sources, and teacher tools that you can use from any computer. Use the Research Tools to **create a project** or explore **Today in History**.

Multiple Viewpoints

Get multiple viewpoints on over 300 current issues in Opposing Viewpoints in Context. It provides **easy-to-use topic pages** that put all kinds of resources on one page and helps students **gain critical thinking skills**.

TEL gives you free resources to help with the new standards!

- Supplemental, Lexile-Scored materials for all grade levels.
- Free Professional Development classes are offered. Email tel.tsla@tn.gov
- Get more info at tntel.tnsos.org/curricular.htm

Find free online language learning at www.tntel.info

The Tennessee Electronic Library now includes a web-based language learning program called Powerspeak Languages. It's fun way to learn how to communicate in:

- Spanish, French, Italian, German, Russian
- Japanese, Korean, Mandarin Chinese
- ESL for Mandarin speakers
- ESL for Spanish Speakers

The courses include a variety of activities and are designed to meet the American Council on the Teaching of Foreign Languages Standards. Create a free account to keep track of your progress.
